

Simple Business Plan

Crane Platform Labs — Website Design & Google Business Profile Services

Business Overview

Crane Platform Labs is a regional NSW website design business based in Junee, NSW. The business focuses on building clean, fast and SEO-friendly websites for tradies, cafés, service providers and small businesses across regional NSW.

The business also provides Google Business Profile setup services to help businesses improve their visibility on Google Maps and local search results.

The business operates lean with low overheads and is designed to grow steadily alongside full-time employment.

Business Goals

Short-Term Goals:

- Build strong rankings in Junee, Wagga Wagga and Albury
- Improve Google Business Profile visibility
- Collect 15+ Google reviews
- Build strong local SEO authority

Long-Term Goals:

- Become a recognised regional NSW website provider
- Build recurring income through care plans
- Generate \$50K–\$75K+ annually within several years

Core Services

Starter Website — From \$900

1–3 pages, mobile-first design, contact forms and basic SEO.

Growth Website — From \$1,800

4–6 pages, SEO structure, Google-focused setup and conversion layouts.

Premium Website — From \$3,200

Advanced SEO, location pages, custom layouts and larger business websites.

Google Business Profile Setup — \$500

Complete setup and optimisation for Google Maps and local search.

Website Care Plan — \$29/month

Optional ongoing support and maintenance.

Website Changes — \$250

Additional edits and website updates outside support plans.
